

Erick Thohir Apresiasi Dukungan BUMN dalam G20

Erick Thohir Appreciates BUMN Support in G20

Admin -- 05 December 2022

Jakarta, 29 November 2022 - SOE Minister Erick Thohir held an Appreciation Night BUMN support in the G20 at Sasono Utomo & Sasono Langen Budoyo, Taman Mini Indonesia Indah (TMII), Jakarta, Tuesday (29/11). Activities attended by officials The Ministry of BUMN as well as the Directors and employees of BUMN aim to provide appreciation for the contribution of all companies and BUMN personnel involved in the preparation and the implementation of the Indonesian G20 Presidency series. This moment is also a means for strengthen and improve communication and collaboration that is sustainable in the future.

Since preparations for the G20 event began at the beginning of this year until the implementation of the Summit last mid-November, the Ministry of SOEs together with SOEs succeeded in demonstrating good collaboration with fellow BUMNs, ministries and institutions as well as partners strategy in order to realize the success of holding the Indonesian G20 Presidency, including the preparation of supporting infrastructure that can be completed on time. BUMN involvement in the preparation and implementation of the Indonesian G20 Presidency coordinated by the Project Management Office (PMO) at the Ministry of BUMN. The G20 Indonesia presidency proves that Indonesia can be on an equal footing with other nations.

"Apart from teaching diversity, the most important thing is that the G20 aligns us with other nations, this is what we must defend." said Erick in his speech. Erick appreciated the various parties who have dedicated themselves to the success of the G20 PresidencyIndonesia. "I have to appreciate the success behind the implementation of one of the world events this, many parties are working extraordinarily hard." he added. This opportunity was also used by Erick to invite all human beings The Ministry of BUMN and BUMN held a moment of silence over the death of PT Angkasa employees Pura I, Mr. I Gede Dewa Arimbawa Vayogayana in carrying out state duties. Erick convey certificates of appreciation, compensation and educational scholarships to families deceased, in addition to other normative rights. Erick emphasized that the mandate of the G20 Presidency has the meaning of sustainability, not only just a momentary ceremonial event. "This is what I said, the G20 is over, but what what happened in the G20 we must maintain. Don't finish G20 everything is done. Because positioning us with our great nations took a long time." he added.
