Jakarta, December 2, 2023 - Pelindo Daya Sejahtera (PDS) closed the year 2023 with a brilliant achievement. Friday, December 01, 2023 at Balai Sarbini, Jakarta, PDS attended the Naker Awards from the Ministry of Manpower of the Republic of Indonesia after being declared in the top 3 Best Companies in the Large Scale Company Category.

The category is given to large companies that comply with applicable laws and regulations. In addition, PDS has also met several other criteria such as opportunities to work for all genders and groups, labor absorption from residents around the company, to the number of fresh graduates working at PDS. These various aspects prove that PDS is a large company that is committed to the welfare of workers.

Specifically, Dr. Hj Ida Fauziyah, M.Si, Minister of Manpower said that this category is given to companies that successfully run their business in Indonesia. Ida Fauziyah added that this success is accompanied by the company's consistency to contribute to national employment growth through the growth of new workforce placements as well as inclusiveness and disability friendliness, "This company also pays attention to the welfare and fulfillment of labor rights," said the Minister of Manpower.
