Denpasar (29/11) - After successfully docking the Celebrity Soltice Cruise at Benoa Port on Monday (30/10), Pelindo Regional 3 again docked the Celebrity Edge Cruise with a length of 306 meters at Benoa Port. This is the second cruise with a length of more than 300 meters that successfully docked at Benoa Harbor.

Celebrity Edge arrived and docked at Benoa Port Bali, Tuesday morning (28/11), carrying 1,277 crew members and 2,807 passengers. As usual, the arrival of the tourists was greeted with gamelan music and Balinese dances. Pelindo also presents a number of MSMEs in the passenger terminal area that will market local Balinese products.

The ship from Singapore headed to Darwin and stopped at Benoa Harbor, here. Celebrity Edge is the largest cruise ship that successfully docked at Benoa Harbor, reaching 130,818 GT, after the previous Celebrity Soltice cruise ship which weighed 121,878 GT.

"We will continue to optimize services for Cruise ships, because this is the second ship with a length of more than 300 meters that has successfully docked at Benoa Port, hopefully next year more ships like this can dock at Benoa Port". Fariz Hariyoso Sub Regional Head Bali Nusra concluded.
