

## Preparation for the Cibitung - Cilincing Toll Road (JTCC) to Welcome the 2024 Eid Mudik Flow

Admin -- 28 March 2024

**Jakarta, March 27, 2024** - Welcoming the Lebaran 2024 homecoming flow, PT Pelindo Solusi Logistik or SPSL through PT Cibitung Tanjung Priok Port Tollways (PT CTP) has made a series of preparations on the Cibitung - Cilincing Toll Road (JTCC) route.

Preparations made include checking road conditions, operational readiness in the traffic sector, and transaction service readiness, and continuing to coordinate with relevant *stakeholders*.

"Facing the Lebaran homecoming flow in 2024, we will continue to make intensive preparations. So that it can support safe, smooth, and comfortable travel for the community," said SVP of SPSL Corporate Secretariat, Kiki M Hikmat.

For traffic service readiness, JTCC has prepared facilities and fleet of traffic service units including 3 (three) units of towing vehicles, 3 (three) units of *mobile customer service* vehicles, 1 (one) unit of Kamtib Task Force vehicles, 2 (two) units of *ambulance* vehicles, 1 (one) unit of *rescue* vehicles, and 2 Highway Patrol vehicles.

As for the readiness of transaction services, currently the fulfillment of operating substations, operation of *mobile readers* and EDC machines, fulfillment of toll collection officers, and fulfillment of toll equipment technicians.
