

Pelindo Sukses Mencapai Kinerja yang Konsisten dalam 3 Tahun Merger

Admin -- 04 October 2024

Makassar, 2 October 2024 - Passing the third year after the merger, PT Pelabuhan Indonesia (Persero) or Pelindo has successfully achieved positive and consistent performance, both operational and financial performance. This achievement received appreciation from Desty Arlaini, Assistant Deputy for Logistics Services of the Ministry of SOEs, which was conveyed in her remarks at one of the series of Pelindo Day Commemoration events - Pelindo Forum, 30 September 2024.

'I highly appreciate what Pelindo has done for 3 years. Especially after this merger, it can be likened to after the merger is ratified, there is no period for healing for a moment, because indeed all understand, the merger is not our final destination. The merger is our starting point for transformation and there is no end to transformation,' said Desty.

Desty also added that within 3 years of the merger, Pelindo's assets reached Rp 123 Trillion. Desty expressed her appreciation to Pelindo for consistently implementing the Strategic Initiative for the past 3 years. Through the transformation programs consistently

carried out by Pelindo such as standardisation of operations, digitalisation, optimisation, business refining and other strategic initiatives that are carried out consistently, Pelindo has succeeded in getting positive performance, including the creation of value creation worth Rp4.89 trillion or 81% of the 2025 target. It is expected that Pelindo's next transformation programme will focus on long-term growth.

Agreed with this, Arif Suhartono, President Director of Pelindo also said that after the transformation, Pelindo's productivity has increased. The company's growth also goes hand in hand with increased customer expectations of Pelindo.

'Once again, I keep repeating that we are a service-based company, so our focus is on improving service quality. We have built this big and now in our mindset is how to maximise and how to optimise. I hope Pelindo continues to innovate and improvise,' Arif said.

In addition to Pelindo Forum, Pelindo Day was also enlivened by various activities such as morning walk and MSME bazaar, inauguration of Makassar New Port Mosque & Tabligh Akbar, Charity Auction and Pancasila Miracle Day Flag Ceremony at the peak of the celebration.

Previously, a number of activities have also been carried out such as Pelindo Mengajar, Pelindo E-Talks and Pelindo Peduli as well as various competitions such as Pelindo League, Pelindo Run & Ride, Pelindo Clash of Port Champions, and Pelindo Essay Writing.
